NO ORDINARY NIGHT EXPECT THE UNEXPECTED

THE FIBRE OPTIC BOYS AND GIRLS AT QUEST ON SATURDAY 20th FEBRUARY 1993 - WITH RATTY ON 3 DECKS - ELLIS DEE, DJ SY, FALLOUT, TANGO AND A LIVE PERFORMANCE BY ESSENCE OF AURA. **PLUS** THE ROOM AND STAGE COMPLETELY TRANSFORMED BY THE FIBRE OPTIC TRIBE - DEFENDERS OF THE TRUE PARTY SPIRIT. PROBABLY THE WILDEST NIGHT IN QUEST'S HISTORY....**YOU HAVE BEEN WARNED!**

right... everybody should have recovered by now from the expense and over-indulgence of Xmas and New Year, and it's time to look forward to what should be another wild and hectic summer. For '93 at QUEST we've got new QUEST Promotion Nights, starting this month with **Fibre Optic**. From March we're trying out new DJ's like Randall, Dr. S. Gachet, Devious D, alongside the old favourites, and we're currently looking at sites for all-night parties in the summer, so stay tuned.....

techno v hardcore If you've been out to any raves in the last 3 months you may have noticed that the music is changing. Several top DJ's now include the straight boom-boom and electronic noise of techno in their sets. At the moment there are only a handful of clubs across the country where the music policy leans heavily towards the European, American and British variants of trance and techno. These include the Orbit, near Leeds, Knowledge in London and a couple of venues in Scotland, but there is a growing movement amongst DJs, promoters and club goers towards Techno. Let us know your opinion on this issue at the above address. P.S. If you heard Loftgroover at QUEST on the 30th January, then that was the sound of Techno.

your comments... thanks to Craig from Kidderminster; Gary Gillespie from Fife, Scotland; Beccy, Big H, Danny, Hazel and the 50 other hardcore ravers from Powys, Wales; Richard Fogarty, Sinbad and Luke Smith from Birmingham; and everybody else who wrote in, telephoned and ordered tapes. Praise or complaints can be sent to the above address.
